

# Understanding Our Slavery: Control of the media and, by extension, human perception

www.UnderstandingOurSlavery.com

## Executive Summary

*"If there was really an organized crime conspiracy to enslave the population then surely someone would have reported on it in the media"*

In our one-pager: [The Propaganda Matrix](#) we feature a [media ownership chart](#) showing how six media companies running hundreds of subsidiaries give the population the illusion of choice and diversity-of-opinion. While that visualization illustrates the ownership structure of the media including movies, television, book and magazine publishers, theatres, and theme parks, it doesn't explain how individual reporters, editors, and publishers are given their "marching orders" to widely cover up Government criminality and propagandize the public across hundreds of media platforms.

**If you want to run the world, you have to have meetings!** - In this one-pager we feature visualizations from [Swiss Propaganda Research](#) showing how just three organizations: The Bilderberg Group, the Council on Foreign Relations, and the Trilateral Commission are able to coordinate the activities of hundreds of publishers, editors and journalists. I am not suggesting that every person receives specific instructions, even though prominent journalists including [Udo Ulfkotte](#) have admitted to publishing stories written by the CIA under his name and the L.A. Times' [Ken Dilanian](#) who was outed as a CIA tool through an agency FOIA request.

Most honest journalists are fired (or even killed as was San Jose Mercury News reporter [Gary Webb](#)) whenever they try to report on forbidden topics: CIA drug running, 9-11 Truth, [the massacre and subsequent cover up of 80 men, women, and children in Waco](#), the criminality of fractional reserve banking and Federal Reserve policy. Intelligent and immoral publishers, editors, and reporters like Bilderberg "journalists" Fareded Zakaria and George Stephanopoulos can easily get themselves on the gravy train of six, seven or even eight figure salaries by not just covering up the corruption but taking leadership positions in creating and disseminating propaganda that supports our manufactured and unnecessary multi-trillion dollar wars and the mass theft of trillions through "bailouts" and inflation.

The key concept to understand is that if organized crime is stealing **trillions** of dollars through fractional reserve banking, unnecessary military spending, bank "bailouts" and other criminality then it is easy and cost-effective for them to spend a couple of hundred billion a year to buy up and control the media. Almost every single channel, almost every single publication including the couple of hundred people who are paid/allowed to talk "politics" and current events on the weaponized tell-lie-vision.

This 2017 chart shows how one organization, The Council on Foreign Relations (CFR), has infiltrated and promoted its membership into the key positions of media, entertainment, politics, banking, diplomacy, the military, think tanks, NGOs, universities, and the intelligence agencies for decades through both "Democrat" and "Republican" administrations. The link below is to a 2010 chart from the.Fund to Restore an Educated Electorate showing the multi-generational dominance of the CFR, Bilderberg Group, and Trilateral Commission:

[Understanding Our Slavery](#) is both a book and series of one-page visual overviews of concepts hidden from the public by inter-generational organized crime that has been controlling the flow of information in society. Their “Propaganda Matrix” includes control of the government, government schools, scouting, intelligence agencies, military and police training, and a weaponized media system of 6 companies running hundreds of subsidiaries to give the population the illusion of choice and diversity-of-opinion while propagandizing, deceiving, and distracting us from the reality of our tax slavery and authoritarian control. These [one-pagers](#) are designed to be printed out and shared but with accessible PDF versions with active hypertext links. We have an 8GB Flash Drive/Dropbox called: [The Liberator](#) with additional evidence of government and media criminality.
