

Understanding Our Slavery: Propaganda Using Religious Symbolism

www.UnderstandingOurSlavery.com

It's no accident that the mainstream media (the propaganda arm of the oligarchical kleptocracy / kakistocracy) is constantly using trick photography to give the ruler's political puppets the appearance of holiness using religious symbolism. It is one of the many ways the rulers indoctrinate the masses with a pseudo-religion, Statism, slipped to them using government schools, scouting, military and police training, and mainstream media propaganda in news, films, and tell-a-vision "programming".

[Understanding Our Slavery](#) is both a book and series of one-page visual overviews of concepts hidden from the public by inter-generational organized crime that has been controlling the flow of information in society. Their “Propaganda Matrix” includes control of the government, government schools, scouting, intelligence agencies, military and police training, and a weaponized media system of 6 companies running hundreds of subsidiaries to give the population the illusion of choice and diversity-of-opinion while propagandizing, deceiving, and distracting us from the reality of our tax slavery and authoritarian control. These [one-pagers](#) are designed to be printed out and shared but with accessible PDF versions with active hypertext links. We have an 8GB Flash Drive/Dropbox called: [The Liberator](#) with additional evidence of government and media criminality.
